# VERTICAL BLINDS

Fischer vertical blinds come in slat widths of 63 mm, 89 mm, 127 mm, and 250 mm. Choose between slats with a bottom chain or hidden bottom weights (available for 250 mm slats without a chain). The blinds can be operated via chain, wand, or motor. All motorised systems offer the functionality to both rotate and draw the slats along the track.

## SPECIFICATIONS

**SLATS** Trevira CS polyester, polyester, or fibreglass. Colour and material according to the collection.

**TOP RAIL** 100% aluminium, standard in white or aluminium. Width 40 mm, height 25 mm.

**OPERATION** Chain, wand, or motor.
